## Contemporary styling

Our two style of lodges - the Bracklesham Lodge and the Chichester Lodge - offer the ultimate in contemporary design and style.

Both are equipped with quality fixtures and fittings, and you decide on the layout of your lodge that suits your lifestyle.

Spacious and versatile, and furnished to your requirements, your lodge is your "home away from home".

## Indulge in comfort

Comfort and style are key aspects of our lodges.

Individually built, each lodge also boasts a large decking area for you to relax, enjoy the sunshine, sea air and al-fresco dining!

Your lodge comes complete with central heating and double glazing should the weather turn cooler, and you have your own parking area on your plot for convenience.
